

ROTARY CLUB OF ADELAIDE PARKS NEWSLETTER

Meeting 1749 2nd October 2019

15 Adelaide Parks Rotarians attended this meeting together with Guest Speaker, our own John Mutton.

President Charles welcomed all to the meeting.

Raffle was introduced by Alan Logue with the prize being a bottle of Wynn's 1998 Coonawarra Cab Sav.

David Wells showed 2 excellent power point presentations compiled by himself and Terry Clark showing scenes at the 35th club birthday meeting.

After the meal Natasha introduced John to give episode 3 of his life history. This carried on from episode 2 about his working trip to Canada as a young engineer. As usual John's anecdotes were humorous and entertaining.

A well deserving Lesley Grady won the raffle.

President Charles thanked all for their attendance and Sergeant George closed the meeting at about 7.35pm.

Many thanks to David Wells for setting up and storing the A/V equipment.
